

**IN RESPONSE
TO THIS JAHIL**

**THE KUFR OF HAY'AT
TAHRIR AL-SHAM**

**Today we will respond to this jahil
that speak with no knowlage of the
Deen or history.**

**In his so called "Refutaion" he
Mentioned 2 things**

**First is Hayat Tahrir al Sham allying
with Ahrar al Sham**

**Second is Hayat Tahrir al Sham not
applaying Sharia**

**First is Ahrar al sham being
"democratic" in what world you
think they are democratic?**

**Is anyone who dont agree on the
Khwarij way of Dawla is
Democratic?**

**Have you ever seen Democratic
elections in Ahrar al sham?**

**Or you just throw takfir here and
there with no proof**

**Lets say They are kuffar for
example**

In this there is 2 opinions

first that its Haram and not kuffr

Second is its allowed but with conditions

al Qrafi said:"And they shall not kill their captives, nor take their wealth, nor take their children captive, nor seek help against them from a polytheist."

[أنوار البروق في أنواع الفروق 4-172]

**Some scholars went to the
Permissibility of seeking help from
non-Muslims against the Khwarij,
but they stipulated that the rule of
Islam should be apparent**

**Scholars of the Islamic community
have agreed on the misguidance of
the Khwarij and the necessity of
fighting them**

**However, they have differed on
whether to declare them as
apostates (Kuffar) with two
opinions**

They are disbelievers like apostates, it is permissible to kill them initially, to kill their captives, and to pursue their fugitive. Whoever is able to capture one of them should invite him to repent like an apostate

Among those who said that they are apostates are Imam Bukhari, a narration from Imam Shafi'i, a narration from Imam Malik, Qadi Abu Bakr al-Arabi, Sheikh Taqi al-Din al-Subki, and Imam al-Qurtubi. (See Al-Ibana al-Sughra 152, Al-Shifa 2/1057, Al-Mughni 239/12)

The Messenger of Allah, peace be upon him, said: "Leave him, for he has companions, and if you compare your prayers with their prayers and your fasting with theirs, you will look down upon your prayers and fasting, in comparison to theirs. Yet they will go out of the religion as an arrow darts through the game's body in which case"

[Bukhari 6933, Muslim 1064]

Qadi Abu Bakr Ibn al-Arabi said in his commentary on al-Tirmidhi: "The correct opinion is that they are disbelievers, based on the Prophet's saying, 'They will depart from Islam,' and his saying, 'I will kill them as Ad were killed,' or in another narration, 'as Thamud were killed.' Both Ad and Thamud perished due to disbelief. Also, based on his saying, 'They are the worst of creation,' which is a description that applies only to disbelievers, and his saying, 'They are the most hated of creation to Allah,' and because they judged"

Abu Galib reported, "I was in Syria when al-Mihlab sent sixty Khwarij heads. They were displayed on a staircase in Damascus. I was on the roof of my house when Abu Umama passed by. I came down and followed him. When he stood before them, his eyes welled up with tears. He said, 'Subhan Allah! What does Satan do to the children of Adam? Three times: Dogs of Hell, Dogs of Hell! The worst of those killed under the shade of the sky. Three times, the best of those killed are those who killed them. Blessed is he who kills them or is killed by them.' Then he turned to me and said, 'May Allah protect you from them, Abu Galib.' I said, 'I saw you crying when you saw them.' He said, 'I cried out of pity for them. They were once people of Islam.'"

Reported by al-Bayhaqi (8/188).

The second opinion that they are bughat, and this is the opinion of most scholars, and it is the opinion of Ali, may Allah be pleased with him

al-Nawawi said in his book al-Madhab al-Sahih al-Mukhtar:"The correct and chosen opinion, which was stated by the majority and the scholars, is that the Khwarij are not declared disbelievers like other people of innovation."

[sharh muslim 2-50]

**lastly about Hayat Tahrir al Sham
not rulling with Sharia for this one
its a simple answer just because you
dont see it and Hayat Tahrir al Sham
not recording it do not mean that
they dont rule with Sharia they say
we are doing Sharia and you can
search and see that they rule with
sharia so cuz you are a jahil dont
takfir others with no actual proof
may Allah protect the mujahdeen of
Hayat Tahrir al sham and destroy
the Khwarij of Dawla and others**

**also about proving that dawla is
Khwarij i wont a post about it but i
will give you the videos down there**
